

Action plan A4

Title of the action: Outsourcing feasibility sysop/hosting for Odoo

Pilot : Yves

Holders :

yves@ygol.com

remy@coopiteasy.be

remi@le-filament.com

daniel.palomar@coopdevs.org

Goals (why) :

Have a structure taking care of sysops / hosting activities for Odoo integrators

Tasks (what – who – when) :

What	Who	When	Annotation
Detail needs / RFQ writing			
Share how we deploy/install today			
Check Docker-Odoo / Odoo-Operators solution			
Check with some hosting companies how they could answer our needs			

Principles :

- Trust
- Eco-footprint
- Hosting location
- Workers location
- « non-profit »

Questions :

- Limit APP / container's Isolation / access ?

Needs :

- SLA
- CI/CD
- Raw access
- Scallability
- Deployment templates
- Monitoring
- Logs
- Backups
- Security
- Performance
- Tweaking

Scope :

APPLICATION Level SYSOP
INFRASTRUCTURE Level SYSOP
BARE Level SYSOP
