

# Action plan

**Title of the action:** Tool for planification of culture

**Pilot :**

**Rémy Fernandez**

**Holders :**

**Whoever want to join**

**Goals (why) :** - Cause helping producers is the key

- Provide to the producers (mostly of vegetables) a tool to manage their production, ressources and administrative follow-up.
- Facilitate the data collection from seeds to the plate
- Create a big hub of data and information for the producers

**Tasks (what – who – when) :**

What	Who	When	Annotation
List existing solutions	Everyone	February	
Compare existing solutions	Rémy and ...	Feb-Mar	
Found projeccts interested in this tool	Everyone	March	
Organize the needs of all	Rémy and ...	June	
Compare the needs and existing solutions	Rémy and tech	June-July	
Propose a workshop during hacktoberFest	Rémy	July-August	

**Needs :**

**Time**

**Money**

**Courage**
